THIRD YEAR RUNNING FOR HAGLEY BEAUTY CLINIC

THIRD YEAR RUNNING FOR HAGLEY BEAUTY CLINIC. Hagley health and beauty clinic, Ambience has been celebrating this month, after being awarded the prestigious Crown status for the third year running, by world renowned beauty product manufacturer, Guinot.

One of only 100 clinics to receive the award in the UK and Northern Ireland, and one of just a couple in the Midlands, Ambience owners Karen Parkes and Nadia Katic received the news at the Guinot-Mary Cohr Annual Conference held at The Montcalm, London at the end of January hosted by actor and campaigner, Joanna Lumley.

It's been a whirlwind 14 months for Ambience. Established in 1990, with both Karen and Nadia joining the High Street based clinic just 10 years ago, the opportunity to take ownership materialised in 2014.

Karen remarked: "Retaining this prestigious award really is the icing on the cake for us and our team, after taking ownership, and in our first full year of trading. Crown status is focused on a salons customer service, latest training and excellent client care, and to be recognised as one of the best in the UK and NI is such a tremendous honour, and a little overwhelming."

Nadia added: "What a start to 2016! We are so excited and proud to have received Crown status which not only reflects the hard work and commitment by Karen, me and our therapists – Laura Whiteman and Lenya Wilkinson – but also our loyal clients, who are as much a part of our achievement as we are."

Ambience offers the very latest products and services from Guinot, with more information available at ambiencehagley.co.uk
